EDUCATOR - (TO THE PARENT/GUARDIAN):

- Your child is in the Story Leaders reading program. Story Leaders are children who read and explore books in the classroom, and also get to bring those books home to keep.*
- At home, you and your child will need to set aside some time for shared reading; a time when you read the new books together. This will help your child succeed in building their literacy skills.*
- Now, we will watch a video showing the best ways to read with your child, and then, at the end of the video there will be time for questions.*
- I will also give you a magnet and bookmark that will help you remember the important points of what we've learned.*

WATCH VIDEO WITH PARENT:

Scholastic Video – How to Read Out loud with your Preschooler (4 minutes long):

- At the end of the video, give the parent the magnet and bookmark, and ask them if they have any questions.
- If there's time, have the parent read the first couple of pages of the picture book to you, and encourage them to demonstrate what they've learned from the video.
- Emphasize that if they have any questions or concerns they can always contact you or their child's teacher.
- The most important thing to remember is to have fun and relax!
