

Family Reading Guide for: *Dragons Love Tacos* by Adam Rubin

Below are some comments and questions to use when you share this book with your child. Pick a few that interest you and maybe add some of your own! The idea is to enjoy sharing the book with your child and talking about it as you read.

Note: Page number 1 is the first page of the story with writing. Before they first share the book with their child, some people like to put small numbered sticky notes or *very* light pencil markings in the book to tell them what page they are on. It does make it easier to use these questions!

The first page of this book begins with the words Hey, kid!
