

The Little Blue Bridge Extension Activities for Families

Art Activity:

Blueberry Basket

For the blueberries, you can use blue paper or white paper (colored blue). You can also have your child make blueberries using his/her fingers dipped in blue paint!

Fun with Food:

Blueberry Bites

Ingredients: Blueberries and Yogurt

1. Prep a baking sheet or plate by lining it with parchment or wax paper.
2. Dip each berry in your yogurt of choice and freeze on the tray until solid.
3. Store them in a freezer-safe bag for easy, refreshing snacks!

Science Activities:

Building Bridges

Bridge Materials – items to build your bridges: wooden cube blocks, small cups, wide craft sticks, and interlocking plastic bricks. You could also use larger wooden or plastic blocks, small boxes or pieces of cardboard, heavyweight paper like cardstock, paint stirrers, and any other construction materials you choose.
