

Augustus and His Smile Extension Activities for Families

Art Activity:

T is for Tall Tiger with a Twirly Tail

To make the tail even more twirly, use a pipe cleaner!

Smile Collage

Gather magazines, internet images, your own family photos in advance. Then, have your child cut out pictures of smiling faces from the magazines and then glue them on paper to make a happy collage!

Fun with Food:

English Muffin Pizza Faces

Ingredients: English Muffins, Tomato Sauce, Cheese, and assorted Vegetables

Science:

Tiger Observations

The link below is to the San Diego Zoo's tiger cam. See if you can see the tigers. They are sometimes camera shy and therefore difficult to see.
