

BOOK UP SUMMER CHALLENGE

This year, over 17,000 students received 12 free books to read this summer. We're challenging YOU to read 12 books over the summer, like Page Ahead kids do!

In each square, write the title and author of each book you read from **6/17/26 – 9/2/26**. Turn in your completed sheet to Page Ahead (in-person or via email) to be entered into a raffle for some bookish prizes. Adults only. If you have any questions, you can reach us at info@pageahead.org or 206-461-0123
