
Please, Mr. Panda Extension Activities for the Classroom

Music and Movement:

"Five Little Pandas" (video song)

<https://www.youtube.com/watch?v=7fGuM2EGM9U>

"Manners" (Tune: "I'm a Little Teapot")

I have super manners. Yes, I do.

I can say "please" and "thank you," too.

When I play with friends, I like to share.

That's the way I show I care!

Geography:

Mapping

Make a list of the animals in the story. Find out where they live in the wild. Then plot their locations on a map.

Science:

Find out about pandas

Where do they live? What do they eat?

All About Pandas for Kids is a great video with beautiful images. Some of the information may be too advanced for your students, but you can choose to watch it without sound.
