

The Snowy Day

Fun Activities and Book Suggestions for Families

Art:

Cotton Ball Snowman

Use cotton balls, glue, and construction paper to have your child create their own snowman. Add sticks and googly eyes for decorations.

Science & Language Arts:

Snow Sensory Bin

First, cover the table with a cloth. Next, place some freshly fallen snow in a shallow plastic container and place it on the covered table. Then, fill the container with a variety of small toys. Finally, let your child have fun playing in the snow!

Fun with Food:

Snowman Snacks

Create an edible snowman with a variety of ingredients. Use crackers, marshmallows, bagels, cheese, or pretzels to build an edible snowman. Look at the picture for some examples!
